Description of the course

This course is meant to be a continuation of LAT #102 and will cover the remaining grammatical topic addressed in Wheelock's. Chapters #1 to #28 (the topics covered in LAT #101 and LAT #102), will be the building blocks necessary for learning further material, and should therefore be SOLID. Material from chapters 1-29 can and will appear in testing situations. In the last part of the course we will start reading excerpts from some of the most representative works of Latin Literature. Regular and prompt attendance in class is required. There will be regular assignments, which you must complete independently. You should expect to spend a considerable time outside class completing these assignments and consolidating the material presented in class. There will also be quizzes most Mondays, one midterm exam and a cumulative final exam.

Honor Code

Union College aims to establish an environment of mutual trust as part of its educational mission. Membership in an academic community requires respect for, and proper acknowledgement of, the thoughts and work of others. Enrollment in this course signifies implicit agreement with the Academic Honor Code of Union College. The full text of Union's Honor Code may be found on line at <<http://honorcode.union.edu>>. In short, it is the responsibility of all students to ensure that the work they submit is their own, and that their work does not engage in any form of academic misconduct. Students should ask the instructor of the course to clarify any questions that they might have regarding collaboration, citation, plagiarism or related matters. Ignorance is no excuse for violating accepted standards of academic integrity.

Students must also affix the full Honor Code Affirmation or an appropriately abbreviated version to any assignment submitted for a grade or in-class exam:

I affirm that I have done my academic work honestly.
Signed: _____

Course requirements

Attendance

- 🕒 Regular participation and prompt attendance are required. Your attendance grade on the first day of class is 105. You will be granted one free absence. Each subsequent absence will result in a 5-point deduction from that total. After three-absences (this includes the point-free absence), each subsequent absence will result in a 10-point deduction from your attendance average. Three tardies count as one absence. Can absences beyond the one free absence be excused or forgiven? No. It is possible to make up missed work, but not a missed class. The only exceptions to this rule: emer-

gencies documented through the Dean of Studies and absences from classes moved by your instructor from their regular meeting time. **Attendance is crucial.**

Homework

- 👤 By the beginning of each class you must have completed (+ uploaded on Nexus) the HW assigned on our previous meeting. If you complete and upload your HW on time then you are gonna receive 100% for that specific HW.
- 👤 Missed HW can be made up only within a week of the due date. A HW made up within one class = minus 50% on that specific HW. A HW made up within 2 classes = minus 75% on that HW.

Example → You do not complete (and upload) the HW due on Monday. These are the possible scenarios:

You complete the HW by Wed.	→ = -50%
You complete the HW by Fr.	→ = -75%
You decide not to complete the HW	→ = -100%
You complete the HW by the following Mon.	→ = that's cute! But you are still gonna get -100%

- 👤 If you have completed your HW but you forgot upload it on time, you are still going to get -50%. Bottom line: do not forget to upload your HW!
- 👤 Certified (that means an official letter signed by your coach) athletic events count as exceptions, and you will be excused
- 👤 Certified (that means an official letter signed by the Dean) health/family emergencies count as exceptions, and you will be excused
- 👤 To be successful in this class, between memorization and HW, I aspect you to spend at least between 7 to 9 hours per week on ancient Latin. (This is between 14 to 18 tomatoes per week - that is a bit more than 2 tomatoes = 2 hours per day → not much!)
- 👤 **HW is stress free: it is ungraded!** You contribute to your maximum percentage of your HW component of the final grade just by doing the work. You can make the most terrible mistakes, but if you complete and upload your HW on time, no penalty will be assessed and you will still maintain your 100 percentage
- 👤 You are responsible for **TYPING and UPLOADING your HW.**
- 👤 **HW sent via mail will NOT be accepted - YOU MUST UPLOAD IT ON NEXUS**

Missed Quizzes

- 🔊 if you wish to have the opportunity to make up a Quiz without penalty, you must contact your instructor ahead of time (that is before the actual date of the Quiz that you know you will not be able to take). I can be reached most easily by email. If contacting me proves impossible (or if I find the reason inexcusable), you may still make up missed quiz, but a ten-point penalty will be assessed. Please keep in mind that a ten-point penalty is much better a zero (a one hundred point penalty)!
- 🔊 If you have not contacted me before the set date of a given Quiz, you can still make it up, but only within one week from the date of the given Exam and a ten-points penalty will automatically apply.
- 🔊 Certified (that means an official letter signed by your coach) athletic events count as exceptions, and you will be excused
- 🔊 Certified (that means an official letter signed by the Dean of Student or of Studies) health/family emergencies count as exceptions, and you will be excused

Midterm and Final Exams

- 🔊 Midterm and final **CANNOT** be made up. Missing the midterm or the final exam will heavily affect your final grade. You can be excused from these crucial appointments **ONLY** presenting an official letter signed by the Dean of Studies documenting an excruciating circumstance.
- 🔊 Certified (that means an official letter signed by the Dean) health/family emergencies count as exceptions, and you will be excused.
- 🔊 Having bought in advance a summer vacation air-ticket whose date coincides with the final, or wanting to anticipate the beginning of the break by taking the final exam earlier are **NOT** valid excuses.

Work overload and Conflicting Exams

The syllabus is extremely detailed. In particular it shows:

- 1) all dates for Quizzes, Midterm, Final
- 2) all topics to be covered + relative homework with relative dates

It is your responsibility to organize your schedule and anticipate when, during the term, it is likely that exams, presentations and heavy loads of HW are going to accumulate. Acquiring such organizational skills and learning how to deal with demanding situations are fundamental components of your college education. Thus Exam dates will **NOT** be moved, and HW will **NOT** be excused even if conflicting with other classes' major tasks. Start organizing your term from the very beginning!!!

Grades

Final grades will be weighted as follows:

Attendance and participation:	15%	-----
Weekly Quizzes:	20%	-----
Midterm Exam:	20%	<u>Class #15</u> (05/03/19)
Homework:	15%	-----
Final Exam:	30%	Monday, June 10, 8:30-10:30 - Karp 002+
